Let's choreograph a dance!

Do you recognise the lyrics below which are taken from a popular song? Can you think of dance actions to go with the lyrics? Draw and sketch your ideas in the boxes and then perhaps you would like to put them together, record yourself performing and email your routine to us? Happy choreographing!

In my mind, I'm running round a cold and empty space…

Just put your arms around me, tell me everything's ok…
